

## Special 2020 Early Bird Offer

The Early Bird Offer is valid only upon availability: **the system can be used without license fee until the end of this year.**

Depending on your decision at the end of 2020 you can

or  
B) you can buy your LoveBridge package in installments starting with January of 2020. In this case the 20% advance will be incorporated into the price of the hardware. After the purchase the buyer pays a license fee for the LoveBridge software based on the usage: 2€ / table / session (from the beginning of year 2021).
